### **DETAILED ACTION**

1. The Examiner has carefully considered Applicant's amendments and accompanying remarks filed November 13, 2006. In view of Applicant's response, all rejections have been withdrawn.

### ***Reasons for Allowance***

2. Claims 37 and 39-56 are allowed.

3. The following is an examiner's statement of reasons for allowance: the previously set forth rejections have been overcome. While DE 29716362 and DE 2021487 are believed to be the closest prior art, they fail to teach or suggest a glass textile coating on each side, wherein one coating comprises either polyurethane and polyvinylidene fluoride (PVDF) and color pigments and the other coating comprises polyurethane and aluminum powder.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
